

To the donors/supporters of the David Hildreth Prevention Scholarship,

My name is Sarah Jennings. In May of this year I received a scholarship through Howe Sound Secondary from you. I apologize for the late response, but I wanted to say thank you. Thank you so much, this money means a lot to me and will really help me in my future.

I will be attending the University of Victoria in September. I have been admitted to the faculty of Social Sciences and I plan to end my schooling with a double major in Psychology and Social work. With this, I hope to eventually work in nonprofit organizations and spend my life helping a variety of people in many different ways including counselling, organizing service trips and fundraisers, and more.

I am living in residence first year, and I am very excited to experience all of the opportunities that UVIC has to offer. I have applied to be a part of the UVSS, University of Victoria Student Society, and am waiting on a reply. If I am accepted into this organization I will be a volunteer member of a group that plans events for students on campus and help to create a fun and safe environment for everyone at UVIC. I also plan to volunteer with other organizations and groups, join a film club, a skating club, and a book club, and overall make the best out of my UVIC experience. I cannot say how much this scholarship means to me; thank you so much for donating this money to a student each year. You are a part of helping me to achieve my goals and dreams, and for that I am so grateful. Again, I apologize for this being so late, but thank you so much.
