Dear Mr. Hildreth,

"The best thing about the Go Girls! Program is that I can make a bunch of new friends and nobody there was a bully."

- Go Girls! participant

Thank you for your recent generous gift of \$2000 to Big Brothers Big Sisters of Sea to Sky in support of the Go Girls program! Your gift is already working to provide more local girls with the opportunity to communicate and learn about healthy lifestyle choices. Without donors like you, girls in our community would not benefit from the guidance and friendship of caring Go Girls! mentors.

Your gift provides girls with powerful experiences. Because of you, girls have the chance to build a positive self-image, feel better about themselves, and challenge the unhealthy pressures of today's society. You are giving our girls a future filled with new possibilities and hope.

In recognition of your kind gift, I've enclosed your tax receipt and a frame to commemorate your generosity. We'll also add the Squamish Breakfast Club Society to the *Big Buddy Circle* of our Annual Report and website. If you have any questions or would like to meet a Big and Little Brother match, please contact Tracey Barr at 604.876.2447 ext. 305 or tbarr@bbgvf.com.

Thank you for creating a better future for local children.

Sincerely,

A handwritten signature in blue ink that reads "Valerie Lambert".
